

# 1911 STERLING BICYCLES

80 Just Arrived

The "Built Like  
a Watch" Kind

STERLING BICYCLES are exceedingly graceful in appearance and substantial in construction. They are made in one of the largest and best equipped factories where for fourteen years the one aim has been to combine style, running and wearing qualities with moderate price. The quality which enters into these bicycles is made possible only by the possession of this long experience, unequalled manufacturing facilities and a great output.

### LIGHTWEIGHTS ARE LOSING

Featherweights In Boxing  
Game Taking Their  
Places.

That the lightweight fighters in the squared circle today have gone the way of heavyweights and practically disappeared is a condition to which the sporting world has awakened by the defeat in San Francisco last week of Battling Nelson by Moran in the eleventh round of what was scheduled for a twenty-round go.

Moran is a featherweight and in the battle in San Francisco he defeated the ex-lightweight champion, and the best men in the game today can all make weight for the featherweight class.

In his fight at Los Angeles August 24 with Connolly, Moran was seconded by Jack Grace, now in Honolulu, and at that time Moran weighed in at one hundred and twenty-four pounds.

Abe Attel can go in at 122 pounds and he weighed but 123 when he whipped Nelson. Wolgast can make 124 easily and has done it in previous battles.

In the featherweight class today are Carney, Kild Levine, and others, who are all good men, and in the lightweight class come such men as Powell, Frane, Paeky McFarlane, Young Earne and Dick Hyland, none of whom are in the same class in the fighting game as Wolgast, Moran and Attel.

There is the chance of a fight between Wolgast and Moran early in the year now that the latter has put it over Nelson and it is likely that the go will be pulled off in San Francisco in February.

Wolgast claims that one of his arms is in bad shape from a break and he will not be able to fight for several months. Those on the inside claim, however, that he will be in shape to meet Moran in February, probably early in the month.

It is predicted by Jack Grace that Wolgast will have no trouble in beating the Englishman. Grace has seconded Moran and knows his fighting ability and staying qualities.

### NELSON-HYLAND PICTURES SHOWN

Last evening for the first time in Honolulu moving pictures of the Nelson-Hyland 23-round fight were shown at the Art Theater before a large crowd of persons.

The pictures were brought here by Jack Grace and a private exhibition was given yesterday afternoon, to which a few were invited.

Although the films have been shown on the coast for some time they are in good shape and are some of the best that have ever been put before the public here.

### KAMS RETAIN CLEAN RECORD

Beat Normal Three to Nothing  
at Soccer Yesterday  
Afternoon.

The Kams predicted that it would be a coat of whitewash for the Normals before the soccer game started yesterday afternoon, and this prediction was fulfilled when the game ended with a score of 3-0 in their favor.

By the victory yesterday the Kams have won six straight games, and tomorrow the series ends for them with a game with the Puns.

The Normals lacked the dash and go of their opponents in the game yesterday. They put up a stubborn fight and were on the defensive most of the time during the game.

Kaellalli made the first goal, Kauihana the second, and Manoha the third one for the Kams yesterday. The standing of the teams in the league, and the record of games played follow:
